

Kaka woke up
with a
wiggling tooth

He took a bite

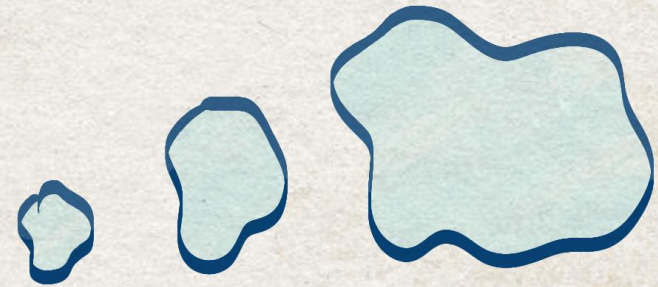

OUCH!

How do I **pluck**
this LOOSE TOOTH out

?

Thought
Kaka.

Kaka visited his
friend Tata the
Turtle

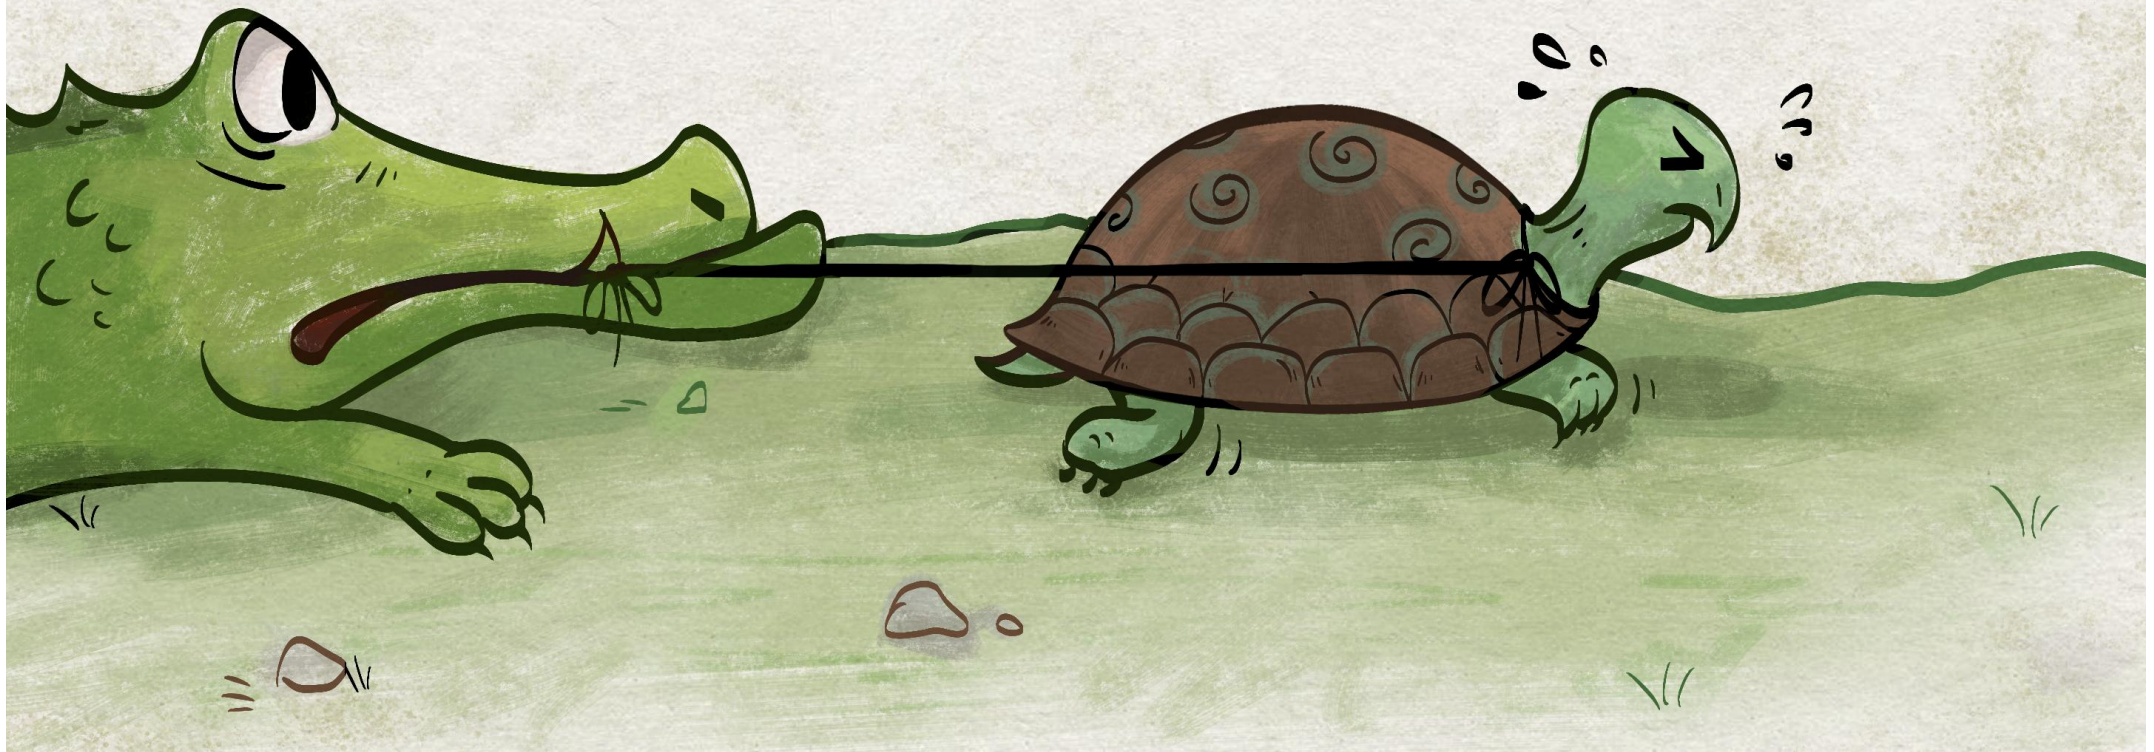

No Problem,
Tata said.

Tie a string
on my back, and
your LOOSE TOOTH
will fall off when
I run forward.

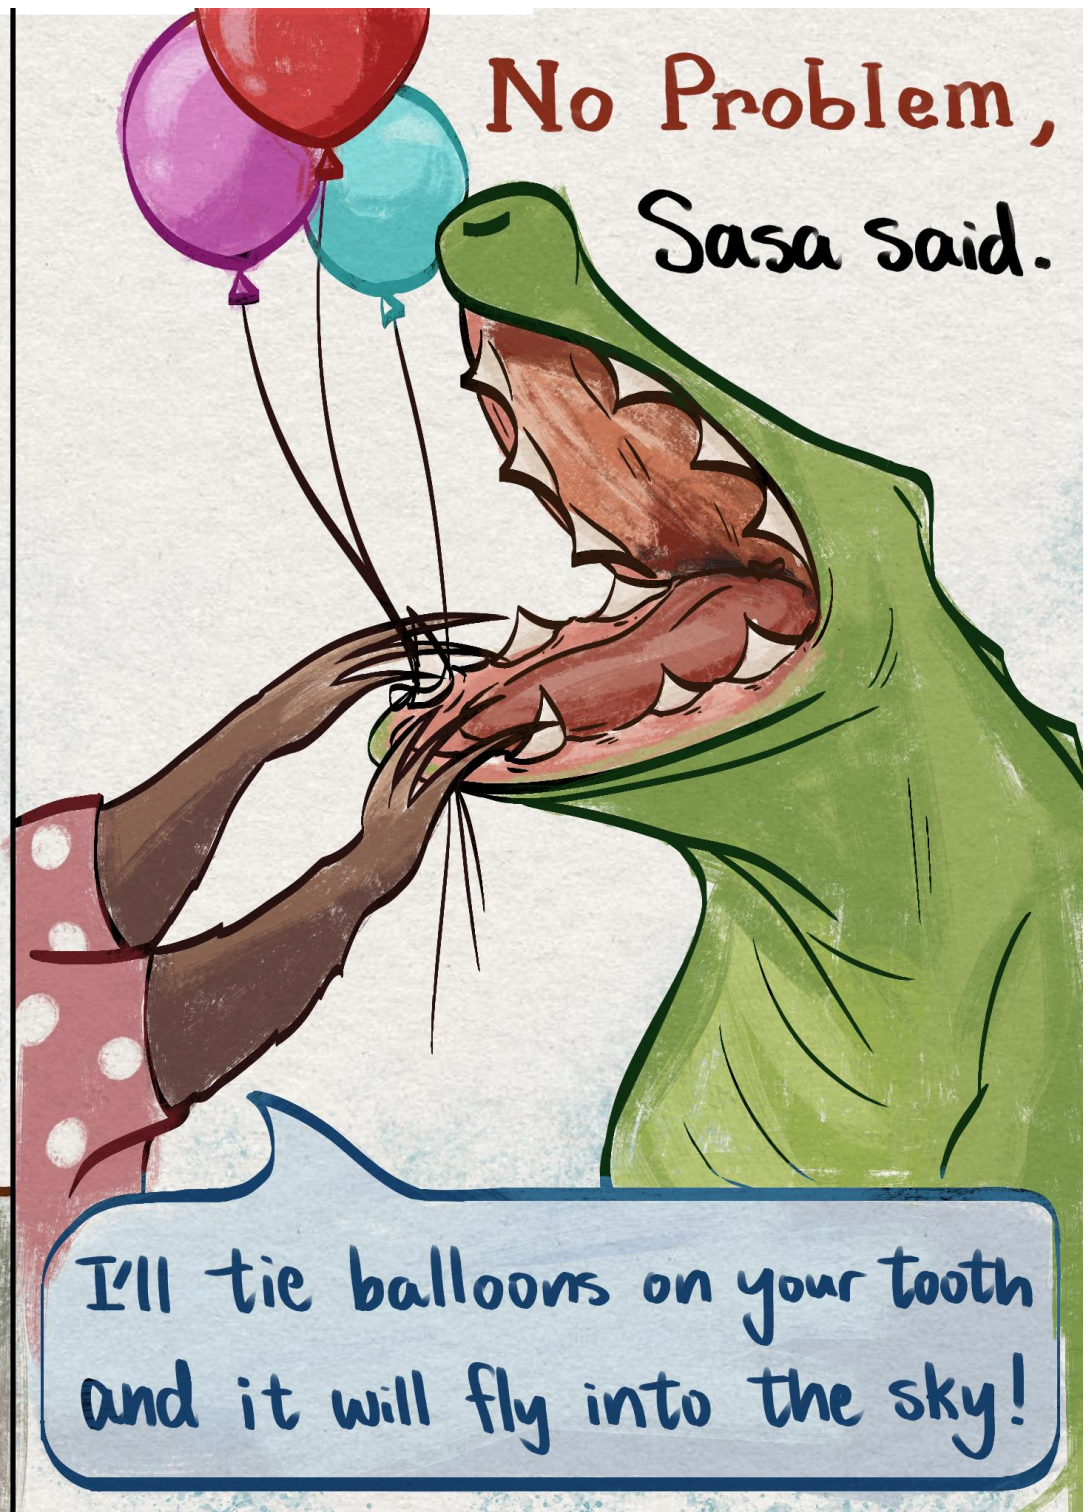

But Tata is
SOOOOO SLOWWWWW
The LOOSE TOOTH won't come off

Kaka found Sasa
the Sloth

No Problem,
Sasa said.

I'll tie balloons on your tooth
and it will fly into the sky!

The balloons
brought Kaka

HIGHER
AND
HIGHER

But the LOOSE TOOTH
won't come off

On his way home,
Kaka met **P**opo the
Plover

A LOOSE TOOTH?
No Problem,
Popo said.
I'll pick your tooth
off with my
beak.

Popo used
ALL his
strength

But the
LOOSE TOOTH
won't come off

Kaka went home feeling
upset. He doesn't know why
his **LOOSE TOOTH** just

**WON'T
COME
OFF**

Kaka stared at his
LOOSE TOOTH in the mirror
and cried.

WHAT WAS
THAT SOUND?

Hey look! My **LOOSE** TOOTH
came off!
